

100 Harps

This was a fun afternoon, with fantastic attendance from the harpists and enthusiasts from Auckland and around. A big shout out to Rhiannon who drove up from Taranaki to top up her 'harp-o-meter' and to Carolyn Mills, who just happened to be in Auckland with the NZSO, and also to harpists Rebecca Harris, Margaret Leman, Yi Jin and Elizabeth Bennett who were there to answer general questions and mix and mingle.

We had between 250 and 300 people though the doors over the afternoon - WOW - dropping 3000 flyers around Auckland was definitely worth it to get the message out there!

I also must thank my students and families, who helped out potential harpists in the harp petting zoo, played in ensembles, and set up, packed up and generally helped out for the afternoon - I'm very lucky to have such an amazing team of keen harpies close at hand!
